

**CANDIDATE FOR DIRECTOR
BALDY MESA WATER DISTRICT**

NAME: NORMAN W. NICHOLS

OCCUPATION: Retired / State Auditor

I retired as an auditor with the California State Board of Equalization, and moved to the high desert in 1987.

I moved to the Baldy Mesa area in 1997.

Water for this high desert area is a must. By attending the Mojave Water agency meetings, from 1987 to the present, I have kept informed on high desert water issues.

It is because of that concern (about water issues) that I am asking you to vote for me as a DIRECTOR for the Baldy Mesa Water District. I have been attending the Baldy Mesa Water board meetings since I moved to the Baldy Mesa area to keep involved with the issues in our local water district.

CAUTION: A plan is under review, where two water districts are to be merged into one, this new water district will be given to a city. This city will appoint those they want as DIRECTORS.

This plan stops you from voting directly for your water DIRECTOR.

PLEASE I need your help, as a DIRECTOR, then we can work on this, right to vote directly, for our water DIRECTORS together.

FREEDOM is a two sided coin: One side is PRIVILEGE: On the other RESPONSIBILITY:

GOD BLESS AMERICA

Thank you for reading this.
